<p>Open. Nice big hip young mare that was started as a four year old. Very willing and will make a great youth horse, calf or heeling horse. Look at this young mare and make her your next super youth or champion cow horse! Holly is very catty and cowy!</p>		<p>Very intelligent athletic filly just like her pedigree says she should be. She has a good foundation on her and is really broke on the ground and in the saddle. She is well patterned on the barrels, has been hauled and exhibitioned some. Roped the hot heels a lot on her, real cowy and lots of rate. Gentle and ready to go! Open.</p>

<p>This gray filly is an eye catcher with her color and conformation. Take a good look at her and you can already see what an athletic mare she will be. Our twelve year old granddaughter has worked with this filly and has her really gentle. 100% sound.</p>		<p>5 year old grandson of Peptoboonsmal. This horse has a lot going for him, he's super gentle, loaded with mind and disposition. Ready and can go in any direction. He's always the first one to meet you at the gate. Gentle enough to go down the road on Sunday afternoon or go heel steers in arena. We've roped a lot of cattle and drug lots of calves to the fire on him. He's been laid off for awhile, but can saddle and ride-off the same. Been to team sortings/pennings. 100% sound. Don't miss him!</p>

Real pretty true blue roan gelding used on the ranch to gather/sort cattle. Will really watch a cow! Travels really nice and smooth. Has a nice long trot and short rocking chair lope. Roped/tied down cattle in the pasture. Loaded cattle in trailer. Stout to the horn. Drug calves to branding fire. Quick and athletic! Started tracking steers in arena. Should make an extremely nice head horse. Shapey with long black mane/tail. Go any direction. Team rope, team sort, trail or take back to the ranch. Broke and 100% sound. This is a really nice horse. Watch at demol. Video.

She has tied-down and doctored in the pasture and can drag like we wish they all would. She's competed in breakaway and heeling in jackpots, in several ranch rodeo's and is started on barrels and pole patterns. She is gentle enough for an experienced kid. If you want something solid to get on ANYTIME, do ANYTHING with, and be reliable EVERYTIME, she is the GO-TO. 100% sound. One

14.2 hands and thick made. Very popular sized gelding. Big enough to get your work done yet small enough you don't need a bucket to get on. Very kind and gentle. Smooth riding outside, crosses all obstacles with ease. We use him to gather, sort and doctor cattle. Solid mind and disposition. Started heeling steers and breakaway calves on him in arena. Shows lot of promise. We feel he's suitable for youth in junior rodeo's, playdays, team sorting or family riding. 100% sound.
